

Sustainable Fuel Certificate

Rolande B.V.

Dr. Hub van Doorneweg 195, 5026 RE Tilburg, the Netherlands
ISCC EU certification number EU-ISCC-Cert-NL220-2238077007

confirms that

Blue River

received 37 tonnes of CO₂ reduction compared to
Diesel in 2025

The reduction has been achieved by an in- and output
of 8,384 kilo's Bio-LNG through the Rolande fueling
station network. This volume of Bio-LNG has emitted
0 kg CO₂-eq per kilo and this is equivalent to well-to-
wheel emissions of 0 tonnes of CO₂-eq.

**Congratulations on your contribution
to a cleaner world for tomorrow.**
